

NORGES STATSBANER

BANK POOL

No more than 50% of a company's stock in the Bank Pool
The president's certificate can not be sold to the bank - it triggers a change of presidency

At end of stock round, companies with:
- stocks in the bank pool move one step left on the stock market.
- no stocks in treasury and bank pool move one step right on the stock market.

Map Overview: The map shows the hexagonal grid of Norway and surrounding areas. Major cities like Oslo, Bergen, and Stockholm are marked with yellow hexagons. Other locations include Ålesund, Molde, Trondheim, Stavanger, Kristiansand, Göteborg, Östersund, and Stockholm. The map includes a compass rose, anchor icons, and various terrain features like mountains and rivers.

Stock Market: The stock market is represented by a grid of numbers (e.g., 20, 40, 60) in colored boxes (yellow, green, red). The board includes a legend for stock types: OR (Orange), SR (Grey), and NR (Green).

Bank Pool: The Bank Pool is located in the top right corner, with a red hexagon labeled BODØ containing the number 0 180.

Train Lines: Various train routes are shown in blue, with some being optional until Phase 5. These include:

- Dovrebanen: -10% (Train icon)
- Raumabanen: 0kr (Train icon)
- Bergensbanen: 2-4 (Train icon)
- Jærbanen: 10kr/20kr/30kr (Mail icon)
- Hovedbanen: Sells either 0, 1, or 2 stocks to NSB the moment it nationalizes. (Train icon)
- Vestfoldbanen: 0kr (Ship icon)
